The logo for VENATUS features a stylized red 'V' followed by the word 'ENATUS' in white, all in a bold, sans-serif font. The background is a dark grey with a repeating hexagonal pattern.

ABOUT US

VENATUS, a brand of U.S.-based Tagoforce Defense LLC, delivers reliable, performance-driven firearms, including a comprehensive line of shotgun platforms, designed to serve the needs of professional, commercial, and international markets. Focused on proven designs, consistent quality, and practical performance, VENATUS firearms are built for durability, control, and dependable operation in demanding environments. Each VENATUS platform is evaluated against defined quality criteria for functional reliability, material consistency, mechanical performance, and configuration integrity to ensure repeatable performance and long-term serviceability. Guided by strong brand accountability and a commitment to long-term partnerships, VENATUS provides solutions customers can trust—backed by responsible business practices and a clear understanding of real-world operational requirements.

A large, grey, stylized version of the VENATUS logo is positioned at the bottom of the page, matching the font and style of the top logo.
